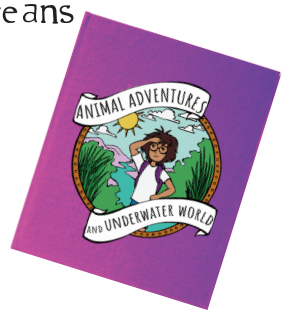
CITICAMP @ HOME

Animal Adventures & Underwater World

Parent/Guardian Guide

Join Caterina and have fun learning about the animals and fish that inhabit the African Savanna and the world's oceans in Animal Adventures and Underwater World!



Learn new words you can use to win prizes!

Enjoy solving puzzles and playing games!

Safari Tuesday

African Savanna 3D Folded Animals

Create a 3D folded Elephant, Hippopotamus, and Tiger.

Enjoy placing your animals at the Savanna Watering Hole. Turn the watering hole over to see the continent of Africa and its countries. Learn where your animals are living and what habitats they enjoy.

Directions and materials included.

Jute Twine Thursday

Make a Beaded Necklace

Enjoy creating patterns as you make a jute twine beaded necklace!

Materials included.

Maker Monday

Roving Art Cart Carp Windsocks

Create a beautiful Koinobori Japenese carp-shaped windsock. Learn how to create a water color look with markers.

Directions and materials included.

Underwater Wednesday

PPG Aquarium Sea Life Coloring Page

Have fun coloring underwater world sea life from PPG Aquarium.

The Pittsburgh Zoo and PPQ Aquarium's virtual programming can be found at www.pittsburghzoo.org/bringing-the-zoo-to-you/

View the PPG Kids page for more animal art activites!

Fun Friday

Word Warrior Fun Friday Surprise!

Choose a word from the Animal Adventures and Underwater World book-and write and draw a story of your own! Bring your work back on Friday for a chance to win a Fun Friday Surprise!
