2008 Operating & Capital BUDGET

December 20, 2007

December 17, 2008

Message from the Finance Chair,

Pittsburgh City Council is proud to present to the residents of “America’s Most Livable City” the 2008 Operating Budget, Capital Budget, and Five Year Plan. On November 13, 2007, Mayor Ravenstahl presented his budget, and we were pleased to see that it was structurally balanced and fiscally sound. The budget that was presented to the Intergovernmental Cooperation Authority continued to tighten operating expenses while addressing our long-term “legacy costs” in pension, debt service, and health care, and adopted a pay-as-you-go (PAYGO) capital budget. The PAYGO budget is a paradigm shift in policy and will help to attack the debt problem saving as much as \$100 Million dollars in future debt payments.

The 2008 Budget focuses on public safety with over 900 uniformed police officers, the reopening of the West End Police Zone, the implementation of the “beat cop” program, and an expansion of the “Park and Walk” program. In addition, the 2008 Capital Budget provides funds for new technology to keep Pittsburgh safe for its residents, including a crime surveillance camera program and Mobile Date Computers in all police cruisers. The City’s commitment to fire prevention is also evident in the 2008 Budget which continues our free smoke detector program as well as doubles the funding committed for building demolition.

The 2008 Budget also shows a commitment to economic development and job growth with the Growth Zone tax exemption program to stimulate the revitalization of 28 City neighborhoods and the creation of the Bureau of Development and Safety Services which will streamline permitting processes.

This budget also shows initiatives to improve accountability, efficiency, and customer service by utilizing the information received from our constituents, by way of the 311 response line, which will measure the performance of our departments and the services they provide to our residents.

The 2008 Operating Budget includes estimated revenues of \$436,826,183 and expenditures of \$423,755,325. Although Council has not changed the bottom line on either of these numbers, Council found it necessary to make some amendments and revisions to the Mayor’s Budget with cooperation from the administration. Changes to the Budget made by Pittsburgh City Council include the following:

- Animal control operations are restructured and enhanced by removing this function from the Bureau of Environmental Services in Public Works to a new bureau within Public Safety. This move would comprehensively address animal issues such as reducing the stray dog and cat population through spay and neutering programs, better management of feral animals, community education, and informed analysis.
- Council amended the Budget to take \$1.83 million out of the EMS and Police Bureaus' equipment line items for vehicles and moved it into the Equipment Leasing Authority. Now that the money is housed within the Equipment Leasing Authority, the process for the Bureau to order the proper number of new vehicles can be expedited.
- Council has also budgeted for an attorney for the Ethics Board to provide independent legal assistance to assure ethical behavior of city employees as well as elected officials.

Although this is the second year we have released a structurally sound, balanced budget, some challenges do remain that require cooperation from the Commonwealth. Although some correction has taken place, there are still deficiencies in ACT 205 for "Distressed Pensions". Health care costs and particularly retiree healthcare will have to be kept in check. In addition, thanks to a PAYGO capital budget we are moving closer to being in compliance with GFOA Best Practices but our debt service is still around 20% of the budget in 2008, not the recommended 10%.

The City's ability to collect revenue will be hindered as the majority of our taxes will stay flat or under perform in the out years. The Parking Tax will continue to decrease to 35%, the Business Privilege Tax will be eliminated and large profit-making hospitals and universities are continuing not to pay their fair share. The Administration and City Council must continue to work together to lobby the Commonwealth for new revenue sources and expenditure savings.

The good news is that there is no longer a crisis. Thanks to the hard work and sacrifice of City employees and the support of our citizens, the worst is over. With the help of the Commonwealth, the continued cooperation between the City's elected offices, and the perseverance of our work force, we can ensure that Pittsburgh continues to be safe, attractive, and economically viable; and that it will continue to truly be "America's Most Livable City".

Resolution fixing the number of officers and employees of the City of Pittsburgh, and the rate of compensation thereof, and setting minimum levels for designated positions.

Be it resolved by the Council of the City of Pittsburgh as follows:

Section 1. That from and after the first day of January, 2008, the number of officers and employees of all Departments of the City of Pittsburgh, and the rate of compensation thereof, shall be and the same are hereby fixed and established as herein set forth.

Section 2. To ensure the capacity of the City to provide an effective level of Municipal services which will meet the economic, physical and social needs of its citizens, residents, visitors and neighborhoods during the Fiscal Year for which this Resolution shall be in force, those positions designated by Section 3 of this Resolution shall remain filled for the entire Fiscal Year, subject to any reasonable time periods required to replace existing officers or employees who leave City employment for any reason during that Fiscal Year. There shall be no reduction in the number of filled positions so designated unless authorized by a Resolution amending this Budget Resolution, in accordance with Section 507 of the Home Rule Charter of Pittsburgh. In adopting this Resolution it is the intention of Council to provide funding for the annual Budget at a level which will enable all Departments and Units of City Government so designated to be staffed, equipped and maintained at levels mandated herein.

If, during the Fiscal Year, the Executive Branch determines that the number of employees so mandated in any program can be reduced without substantially effecting the level of services to be provided, the Mayor may request an amendment to this Resolution to accomplish that reduction, and shall include with any request of that nature the reasons for the reduction and evidence as to the impact of that reduction upon the level of services provided.

Real Estate Taxes, Current Year	\$ 122,300,000	\$ 121,257,000	\$ 122,152,815	\$ 1,043,000

A tax levied on land and buildings. The tax is calculated by applying a tax millage rate on the assessed value of the property, which is set by Allegheny County. Prior to 2001, assessed value was calculated based on 25% of a property's market value, and the tax was levied at different rates for land and buildings. Beginning in 2001, assessments are based on 100% of market value. Also in 2001, the City adopted a unified rate of 10.8 mills in an effort to alleviate hardships that many homeowners experienced resulting from the court-ordered reassessment of all properties within Allegheny County.

A Homestead Exemption on the first \$10,000 of assessed value is also offered to homeowners as a means of reducing the tax burden. This budget proposes a renewal of the Homestead Exemption.

Real Estate Taxes, Prior	\$ 3,245,000	\$ 2,741,000	\$ 5,010,041	\$ 504,000

Prior years' Real Estate Taxes represent those taxes which are collected in the current year but were due from prior years. Interest is charged on the outstanding amounts and is reflected in the penalty and interest line item. The rate is 10% per year.

Real Estate delinquency collections will continue to be a primary focus of 2008 with four Treasurer's Sales anticipated.

Amusement Tax	\$ 8,840,000	\$ 9,140,000	\$ 9,236,854	\$ (300,000)

This tax is levied at the rate of 5% on the admission price paid by patrons of all manner and forms of amusement.

The Amusement Tax revenue estimate is based upon the top 12 payers of the tax within the City since these sources represent approximately 85% of the amusement tax revenue. Historical trends were used to estimate future revenues from each of these payers and for the remaining payers. In 2006, the tax rate was reduced to 2.5% for qualified non-profit performing arts groups. In 2007 the tax rate was further reduced to 1.25% and in 2008 the tax is eliminated for qualified events produced by non-profit performing arts groups.

Act 187 of 2004 provides that the Pittsburgh School District will share 1/10 of 1% of Earned Income Tax with the City beginning in 2007; an additional 1/10 of 1% in 2008 and 1/20 of 1% in 2009. The total amount of shared revenue equals 1/4 of 1%.

Deed Transfer Tax	\$ 14,900,000	\$ 16,828,000	\$ 17,284,579	\$ (1,928,000)

A tax of 2.0% on consideration paid for real property transfers. The tax is collected by the Allegheny County Recorder of Deeds. 1% of this tax is levied pursuant to authority granted by Act 511 and 1% is levied under authority granted by Act 62 amended by House Bill 1175 of 1983.

The 2008 Deed Transfer Tax revenue estimate is based on projected real estate sales within the City of Pittsburgh. A ratio between actual deed transfer tax receipts and real estate sales data was established and then applied to projected real estate sales.

A key assumption in forecasting this revenue is that both real estate sales and deed transfer revenues will follow past trends. Future sales have been projected on a five year moving average.
