Statement By Mayor William Peduto On Safer Streets For All

PITTSBURGH, PA (November 3, 2015) "The recent loss of three lives on our streets is a tragedy for the whole city. I would like, first, to express my sympathy to the friends and family of those who were lost. Second, I would like to express my thanks to everyone who has spoken up for better, safer streets for everyone who walks, bikes, uses a wheelchair or other mobility device, takes the bus, and drives in the City of Pittsburgh.
