Land Use Control File No. C-777
Proposed Zoning Code Text Amendment

Dear Resident:

A text amendment has been proposed that amends the Zoning Code by creating additional standards, and limitations for high wall identification signs in the Golden Triangle and Downtown Riverfront Zoning Districts. This proposed amendment, Council Bill No. 0671, was referred to the Planning Commission by City Council for a recommendation at its meeting on July 24, 2014. On October 21, 2014, in accordance with Section 922.05.D of the Pittsburgh Zoning Code, the application was deemed in denial by Planning Commission and has been transmitted to City Council for further action.

A copy of the bill may be reviewed on the City's Legistar website (<http://pittsburgh.legistar.com>), or at the Land Use Control Office on the 3rd floor of 200 Ross Street during regular business hours. If you need additional information, you may call (412) 255-2241.
