

Community Meetings!

What's the meeting about?

We'll be discussing cultural heritage and historic preservation, specifically the latest draft document and recommendations for the PRESERVEPGH component of PLANPGH. We're close to finalizing PRESERVEPGH, so we need your input before it gets adopted! The latest draft of the document is available online for public review & comments from May 18 to June 19 at: www.planpgh.com/preservepgh

PLANPGH is Pittsburgh's first ever comprehensive plan--it'll be the gameplan for the City's growth over the next 25 years. The goal of PRESERVEPGH is to develop policies and strategies for the protection and preservation of Pittsburgh's historic and cultural assets.
