Ms. Mondor stated that the Commission was in receipt of the following correspondence:
• Letter from Pennsylvania AARP in support of the Complete Streets Policy.
• Letter from Pittsburgh Downtown Partnership in support of the Eighth and Penn Project.
• Letter from Pittsburgh Cultural Trust in support of the Eighth and Penn Project.

C. DEVELOPMENT REVIEWS  (See Attachment B for staff reports.)

1. Hearing and Action:  Project Development Plan #16-099, 955 Liberty Avenue, exterior renovations, GT-

Ms. Kramer made a presentation in accord with the attached staff report. Ms. Kramer recommended approval of the proposal.

Will Hopkins of Tai+Lee Architects gave an overview of the plans for exterior renovations and new residential units to 955 Liberty Avenue.

The project includes renovation of floors 2-4 for 9 residential units. Exterior renovations include a new roof for rear portion of the building, new cladding for the elevator and stair towers, new cladding, window, doors, and railings for the 4th floor rear façade, new downspouts, and the replacement of rooftop HVAC mechanical units.

The Chairwoman called for questions from the public, there being none, the Chairwoman called for comments from the Commission.

There being no questions or comments from the Commissioners, the Chairwoman called for the motion.

MOTION: That the Planning Commission of the City of Pittsburgh approves Project Development Plan #16-099 filed by Tai+Lee Architects on behalf of the property owner, Sher Abodes LLC, for exterior renovations and new residential units at 955 Liberty Avenue, with the following condition:

1. Final construction plans including final site plan and elevation shall be submitted for review and approval by the Zoning Administrator prior to an application for a building permit.

MOVED BY Ms. Pezzino; SECONDED BY Ms. Askey

IN FAVOR: Mondor, Gitnik, Askey, Burton-Faulk, Deitrick, Dick, Pezzino

2. Hearing & Action: Project Development Plan #16-094, 711-713 Penn Avenue, renovation and new construction

Ms. Kramer made a presentation in accord with the attached staff report. Ms. Kramer recommended approval of the proposal with conditions.

Kevin Wogstaff representing the applicant presented plans for the renovation of two existing structures and new construction of an 11 story addition with ground floor commercial and 135 dwelling units above, and parking below grade.

He showed photos of the existing conditions and reviewed the initial concept of the plans. Two of the buildings are historic and will be renovated accordingly. He addressed concerns presented at CDAP and all entrances will be handicap accessible. He also showed renderings of the plans including the outdoor café arrangement.

Ervin Redl, a light artist, is working with them to enhance the design once the building is completed.

They are currently at the LEED silver level but are not seeking certification and are in the process of developing the building envelope.

The applicant underwent a community process with the Pittsburgh Downtown Partnership and submitted letters of support from both parties.

The Chairwoman called for comments from the Public.

Brian Kurtz of the Pittsburgh Downtown Partnership spoke in support of the project.

There being no more comments from the Public, the Chairwoman called for questions and comments from the Commission members.

Ms. Deitrick asked why they did not pursue LEED.

Mr. Wogstaff stated that is the owners’ decision. Sustainability is part of how things are done and the stamp of LEED approval is optional.

There being no more questions or comments from the Commission, the Chairwoman called for the motion.

**MOTION:** That the Planning Commission of the City of Pittsburgh approves the Project Development Plan No. 16-094, for the renovation of two existing structures and new construction of an 11-story addition with ground floor commercial and 135 dwelling units above, and parking below grade, based on the application filed by TREK Development on behalf McNally Bonn, LLC and Pittsburgh Trust for Cultural Resources, the property owners, with the following conditions:

Ms. Rakus made a presentation in accord with the attached staff report. Ms. Rakus recommended approval of the proposal.

David Tiffel of Moss Architecture presented on behalf of the URA for interior renovations, site work, and new uses at 206 North Euclid Avenue.

Emily Mitchell of the Urban Redevelopment Authority spoke about the site which is owned by the URA. Three parcels are known as the Mellon Orchards and to develop the two sites adjacent for a mixed unit development. The idea is to transform the highway to a two way highway with bicycle access and connect a few of the adjacent streets.

They hope to expand the greenspace and he showed a rendering of the site plan. There will be 21 parking spaces.

Schoolhouse Electric is looking to expand their Portland Location here in Pittsburgh. There will be office use upstairs and they would like to expand the outdoor plaza. The only changes will be to replace what is damaged. There is a loading dock on the back which they will maintain and use. Both entrances connect to the elevator. The retail entrance will be on the plaza side and he showed plans for the plaza. He showed renderings of the landscaping plans.

They presented the plans to ELDI and received their support.

The Chairwoman called for comments from the Public.

There being no comments from the Public, the Chairwoman called for questions and comments from the Commission members.

Ms. Dick asked if this will maximize affordable housing for the area.

Ms. Mitchell stated no, the other developments will maximize it.
