

# Squirrel Hill Community Meeting

Councilman Corey O'Connor and the Squirrel Hill Urban Coalition invite residents to join them on Monday April 15th to learn more about the Squirrel Hill Gateway Project. The Design Center has provided a grant to the Coalition to move plans forward to beautify the Murray corridor and renovate the parklet at the Squirrel Hill Post Office located at Darlington and Murray. Design options will be presented by Pasheck Associates, the landscape architect consultant. Residents are encouraged to come to this open community discussion and share their opinions and input on the project plans. We hope to see you there on April 15th!
