

# City of Pittsburgh – Interactive Paving Project Viewer

## Quick Reference Guide

The screenshot shows the City of Pittsburgh Interactive Paving Project Viewer interface. At the top left is the City of Pittsburgh logo. At the top right is a search bar labeled "Type Anything to Search Your Project...". Below the search bar is a "Street Filter" section with a "Street" input field and a "Please click on the text to zoom to a project. For detailed information about a project, please click on the icon in the map." instruction. To the left is a "Right of Way Activity" list under the "Roadway" category, containing 40 paving projects. A "Use the Street Filter to search for a specific street in the projects list" callout points to the "Street" input field. A "Use the Address Search to zoom to a particular location on the map" callout points to the search bar. A "Click on a project in the list view to zoom to that project on the map" callout points to a project icon in the list. A "Click on a project icon to view additional project information" callout points to a project icon on the map. A pop-up window for "Sedgwick Ave" is open, showing project details.
