

IMPORTANT INFORMATION
REGARDING YOUR
LOCAL EARNED INCOME TAXES

**Make Sure Your Local Earned Income Taxes Go
To Work for You and Your Community!**

As a resident of the City of Pittsburgh and School District of Pittsburgh, your PSD Code is 700102.

This must be used on your Residency Certification Form filed with your employer and on your Final Local Earned Income Tax Return which must be filed by all taxpayers annually. If you use the wrong PSD Code, there will be a significant delay in your taxes reaching your home municipality and school district!

Forms are available at www.jordantax.com/forms.
