## REMOVING PAINT BY USE OF A TORCH

If you are using a torch, please observe precautions:

1. Always have a watcher to look for sparks causing fires.
2. Always have water fire extinguisher or garden hose connected to water supply available.
3. Always have someone stay on the scene at least 1 hour after operations have been completed.
4. Combustible storage shall be at least 30 feet away from operations.
5. All floor and wall openings shall be covered with a non-combustible cover.

Failure to observe the above precautions will result in having the permit revoked.
