

SUSTAINABLE HOME IMPROVEMENT PARTNERSHIP

Volunteer Interest Form

THANK YOU for your interest in helping our neighbors-in-need through the Sustainable Home Improvement Partnership! This initiative repairs and weatherizes the homes of veterans, seniors, and disabled residents with local nonprofits and citizen volunteers. We could not do it without you!

Your Volunteer Interest Form will be shared with the Sustainable Home Improvement Partnership agencies and you will be contacted for further information. Please note that while we greatly appreciate your willingness to serve, we may not be able utilize all volunteers.

Volunteers with the Sustainable Home Improvement Partnership will work under qualified worksite leaders to complete basic construction and weatherization projects.

No skills or experience are required.

Your commitment can range from one day to ongoing.

We have opportunities for both individuals and groups interested in serving.

The Sustainable Home Improvement Partnership (SHIP) is supported by The Home Depot Foundation, The United Way of Allegheny County, and hundreds of citizen volunteers. To learn more about this initiative and other volunteer opportunities, visit servepgh.pittsburghpa.gov. The servePGH initiative engages citizen volunteers to address pressing local challenges.

Supporting partners of SHIP include: The City of Pittsburgh (servePGH), The Urban Redevelopment Authority (URA), Neighborhood Allies, ACTION-Housing, Inc., Nazareth Housing Services, The Pittsburgh Project, Rebuilding Together Pittsburgh, and NeighborWorks Western PA.
