A MESSAGE FROM OUR POLICE CHIEF

Dear Neighbors,
 Halloween is a festive and fun time for all, as ghouls and goblins seem to come to life in every neighborhood in our City. However, as we all enjoy the festivities, we must also be safe and smart as many of our children celebrate this fun-filled evening. Please read the safety tips in this activity book and remember to always go trick-or-treating with an adult. Parents should dress children in costumes that are visible and all candy should be checked before eating.

The Pittsburgh Bureau of Police wishes everyone a safe and "spooktacular" Halloween.
Nathan Harper
 Chief Nathan Harper

Costumes should be fun, scary... and safe!

- Keep costumes short so children can walk safely.
- Purchase costumes that are flame retardant.
- Use make-up or face paint, rather than masks, so children can see more easily.
- Make sure costumes are light-colored or put reflective tape on the back and front so children can be easily seen.

Safety Tips for Parents, Guardians & Older Children:

- Plan a trick-or-treating route ahead of time.
- Have a responsible adult accompany children.
- Use a flashlight or glow stick to increase visibility.
- Stay on well-lit streets and cross the streets at intersections.
- Visit well-lit homes.
- Never let children enter a strange house to collect treats.
- Carry a mobile phone for quick communication.
- Put a slip of paper with your address/mobile phone number in your child's pocket.
- Don't allow children to sample treats until they are home and the goodies have been examined by an adult.

Trick-or-Treating can be fun, but consider these "spooktacular" alternatives:

- Attend Halloween festivities organized by community groups and churches.
- Host a Halloween party in your home, and invite the children in your neighborhood and your children's friends!
