Appendix 1
Zone Maps]

(c) “Dynamic Pricing” is defined as the adjustment, from time to time, of on-street parking meter rates by the Director of Finance of the City of Pittsburgh in order to more efficiently balance parking supply and demand.

(d) “Dynamic Hours” is defined as the adjustment, from time to time, of on-street parking meter hours and days by the Director of Finance of the City of Pittsburgh in order to more efficiently balance parking supply and demand. Under a Dynamic Hours designation, no parking meter zone shall have enforcement prior to 8 a.m. or later than 10 a.m. on any day of the week and no Dynamic Hours designated meter parking zone shall be enforced on Sundays.

(e) The Director of the Pittsburgh Parking Authority is hereby authorized to cause parking meters to be installed and meter spaces to be designated in parking meter zones in accordance with the parking meter zones map attached to this ordinance and with the dynamic pricing and dynamic hours established from time to time by the Director of Finance of the City of Pittsburgh.

(f) Parking meter zones shall be in effect only between the hours of 8:00 a.m. and 6:00 p.m. Monday through Saturday unless the zone is designated as “Dynamic Hours”, in which case the hours shall be set in accordance with the dynamic pricing and hours model issued from time to time by the Director of Finance of the City of Pittsburgh.

(g) The maximum continuous legal time a vehicle may be parked in the same spot shall not be less than two (2) hours in a parking zone and shall be set by the Director of Finance of the City of Pittsburgh.

[The Director is hereby authorized to cause parking meters to be installed and meter spaces to be designated in parking meter zones. Parking meter zones shall be in effect only between the hours of 8:00 a.m. and 6:00 p.m. Monday through Saturday. Rates and the legal time for such parking meter zones shall be set by the City Treasurer in accordance with the Parking Meter Zones Master Plan, but the period of legal time shall not be less than two (2) hours in a neighborhood business district.

Within six (6) months of the effective date of this section and every third year thereafter, the Director shall review all parking meter zones and all rates, legal time and enforcement practices and, any other rules or regulations pertaining to metered spaces, and based on the review submit legislation titled the Parking Meter Zones Master Plan. The Parking Meter Zones Master Plan shall include a comprehensive description of all designated parking meter zones with all rates, legal time, enforcement practices, and any other rules and regulations which apply to a parking meter zone with an explanation of such rates, legal time, enforcement practices, rules or regulations. Council shall hold a public hearing on the Parking Meter Zones Master Plan before final action is taken.]
