The City Clerk's Office utilizes Legistar, comprehensive tracking software that generates Agendas, Minutes, and history reports of all legislative matters. The customized software/database is then linked to the City's website to provide full access reporting to the general public as a

means to comply with PA Right to Know Laws.

The customized software was developed by Daystar Computer Systems, and requires specialized support. It is comprehensive and efficient and our experience has been exceptional. It is economically cost effective to continue our support contract.
