**DON'T WAIT FOR YOUR MOMENT
MAKE YOUR MOMENT**

Do you remember the last time a moment
changed your life and those around you?

What's in a moment? The answer is potential. Potential for greatness. Potential for positive change. Your donation will unlock the possibility of a better life for those in need, which leads to a stronger community for all of us.

We thank you for your generous support and for using this moment to make a real difference for others in need.

Appreciatively,
Bob Nelkin
President and CEO, United Way of Southwestern PA
