

# BO'S BACK DOOR

(2)

skill side

## MEASUREMENTS

- 1) Four 50' tapes and 42 cones are required to complete this pattern. Measurements are center to center.
- 2) Place base line (#1) at bottom of pattern and mark "0" with a nail. Extend tape to 30'.
- 3) Place center line (#2) at the 13' mark of base line. Square the two lines.
- 4) Once lines are square, mark the following:
