

Letter of Interest and Request for Proposals (RFP) for Performance Contracting
Services for the Lighting Upgrades at Nine (9) Authority Garages Advertisement
2016

The Public Parking Authority of Pittsburgh (“Authority”) is soliciting Proposals to provide installation of energy-efficient lighting technology upgrades at (9) nine Authority parking garages based on design documents provided by CJL Engineering, and then to guarantee, and monitor the energy conservation measures (“ECMs”) and energy-related capital improvements, financed through a guaranteed energy savings contract to be implemented with the Authority and as more fully described in the RFP document.

PDFs of all the contract documents will be available for download Monday, November 7, 2016 at CJL Engineering’s FTP site log-in information below:
