RE: Request for Quotation

Rock Salt & Calcium Chloride purchase for 2013 Winter Season, with two (2) one year options

The Public Parking Authority of Pittsburgh (PPAP) is requesting price quotes for 50# bagged rock salt/sodium chloride and calcium chloride for the 2013 winter season with two (2) one year options for delivery to eight (8) Authority-operated garages. Price quote submittals should be broken down by garage, skid cost, delivery charge, and off-loading charges using the attached bid sheet.

The projected order for 2013 winter season with two (2) one year options is;

- Rock Salt/Sodium Chloride 50# bags-25 skids (49 bags per skid) – 1,225 bags total
- Calcium Chloride Pellets 50# bags 40-skids (50 bags per skid)- 2,000 bags total

Bidder should submit quote based on the projected order amounts with two third of the projected order being delivered by end of November 2013.

Bidder should also submit skid prices for additional orders over the projected seasonal amount.

Quantities indicated are estimated quantities submitted for quoting purposes only. They should not be interpreted as an exact representation of items to be purchased under this request. The parking authority shall have the right to purchase more or less than the quantities indicated at the stipulated prices on an as needed basis.

All prices quotes must be received at the Pittsburgh Parking Authority Office by 3:00PM E.S.T. on Wednesday, February 13, 2013.

Question should be submitted in writing to the Pittsburgh Parking Authority, Parking Services Department, at 232 Boulevard of the Allies, Pittsburgh, PA 15222, Attn: William Conner, Assistant Director Parking Services or via email at [conner@pittsburghparking.com](mailto:conner@pittsburghparking.com). All questions must be received by 3:00PM E.S.T. on Thursday, February 7, 2013.

Sincerely

William R Conner, Assistant Director Parking Services
