## **METER DOWNSIZING**

Upon your request to have your meter downsized at the above referenced property, enclosed you will find a meter sizing application. Please complete and return the form to The Pittsburgh Water and Sewer Authority at the above referenced address. Please mark the envelope "METER SIZING APPLICATION."

At this time, please note the following:

1. If determined necessary, a recording device may need to be installed on the supply for a period of two (2) weeks to monitor the water usage.
2. Should a larger meter be required in the future, it would have to be purchased from and installed by The Pittsburgh Water and Sewer Authority.
3. Preparation of the setting for the smaller meter must be done by a qualified plumber at your own expense.

If you have any questions regarding this matter, please contact Customer Service at (412) 255-2423.

Sincerely,

Customer Service
