

PWSA COMMUNITY MEETING

Red Oak Drive and Hayson Avenue Sewer Improvement Project

WHERE: **Banksville Park**
Banksville Community Building
1459 Crane Avenue
Banksville, PA 15220

WHEN: **Thursday, February 11, 2016**
6:00 pm – 8:00 pm

PWSA will host a community meeting to allow fellow utility companies (PA American Water and Columbia Gas) the opportunity to discuss the infrastructure relocation projects they are performing as a function of the sewer improvement project to be performed by PWSA. Residents of Red Oak Drive, Hayson Avenue, and other interested parties are invited to attend.

PWSA would also like to take the opportunity to provide an update on both their “gray” and “green” infrastructure designs, and the plan for a follow-up meeting with the community to discuss more specific project details, including the construction schedule, following the receipt of bids and selection of a qualified Contractor for the installation of the inline storage portion of the work..

Free parking is available on-site.

If you have any questions regarding the project, please do not hesitate to contact Rich Lieb, Design Project Manager, at 412.255.8800 x8513 or rlieb@pgh2o.com.
