SUBJECT: SEFT Fee Increase

DATE: November 17, 2017

Effective October 25, 2017, the fees collected for the Pennsylvania code official training fund (SEFT fees) have increased from \$4.00 to \$4.50. Governor Wolf signed Act 37 of 2017 authorizing the increase of fees collected by municipalities administering and enforcing construction or building permits in accordance with the Pennsylvania Construction Code Act.

The City of Pittsburgh Department of Permits, Licenses and Inspections (PLI) will begin collecting the new \$4.50 effective November 20, 2017 for all new permits. Permits pending and not issued as of November 20, 2017 will be assessed the additional 50 cents fee. Permits entered and issued by PLI between October 25, 2017 and November 20, 2017 will not be subject to the 50 cents increase.
