b. The amount of the developer’s bond or other security shall be increased under the following circumstances:

(1) if the construction is not complete and the Authority has not accepted the Extended Facilities within one (1) year of the date of issuance of the performance bond or other security, the Developer shall have the amount of the bond or other security increased by ten (10%) percent, to one hundred ten (110%) per cent of the amount of the initial bond or other security and, if required, by an additional ten (10%) percent for each subsequent year prior to completion and acceptance;

The defense and indemnification obligations accepted by the Developer under this paragraph exist regardless of whether such Claims and Damages are caused or allegedly caused in part by the Indemnitee(s), it being the intent of the parties that the Developer shall indemnify the Indemnitees against the Indemnitees' own negligence. Provided, however, that the Developer shall have no obligation to defend or indemnify the Indemnitees against their sole negligence or willful misconduct.
