

## Hillcrest Street, North Atlantic Avenue, and Donna Street – Green Infrastructure Project

### PROGRESS AND LOOK-AHEAD:

- Work completed since the last update includes road restoration on Donna Street, Hillcrest Street, and Columbo Street, installation of concrete curbs and sidewalks along Hillcrest Street, N. Atlantic Avenue, and Donna Street, tree removal at the corner of Hillcrest Street and N. Atlantic Avenue, installation of concrete weirs at Systems 1B and 1C, and delivery of 4'x2' limestone blocks for placement at basins #2 and #3.
- Remaining work for System 1 includes completing installation of stone aprons, lawn restoration, and final landscaping.
- Remaining work for Systems 2 and 3 includes installation of radius concrete sidewalks, water control structures, trench drains, limestone blocks, landscape aggregates, and final landscaping.
- Progress meetings with the project team continue regularly.
- The project is approximately 75% complete.
- The anticipated project completion date is January 2018, weather permitting.
