

RFP for Engineering Services
Addendum No. 2 (deadline extended to September 26)

The following changes are hereby made to the Request for Technical Proposals for the referenced project:

For a consultant's Engineering Services proposal to be considered by the Urban Redevelopment Authority, the consultant must have previously submitted a qualifications package in response to the March 12, 2014 Request for Qualifications for Engineering, Environmental, Architectural and Surveying Services.

Questions related to MWBE participation can be directed to Ms. Diamonte Walker, MWBE Program Officer, at 412-255-6610 or dwalker@ura.org.

The deadline for submission of proposals is being extended until 3:00 PM ET on Tuesday, September 26, 2017.
