

Plum Way Waterline Relay Project

OVERVIEW - What is happening in your neighborhood?

- As part of its Capital Improvement Program, PWSA will be performing a project on Plum Way between 47th Street and 50th Street in the 9th ward of the City of Pittsburgh.
[Please see Page 2 for maps.](#)

SCOPE - What can you expect?

- The existing 4-inch waterline is to be abandoned in place, cut, capped and backfilled.
- A new 8-inch waterline, new service lines, and hydrants will be installed.

SCHEDULE - When will your neighborhood be affected?

- Anticipated Construction Start – April 18, 2019
- Anticipated Construction Completion – October 1st, 2019

FYI - How will your neighborhood be affected?

- The Contractor must implement and maintain erosion and sediment control measures, parking restrictions, traffic controls, repair and replace impacted combined sewer lines and associated structures (if applicable).

FYI - continued...

- Water service to customers will be maintained throughout the project. Planned water service interruptions will be performed with ample notice and should take less than 8-hours per occurrence. Please provide PWSA with updated contact information to allow for timely communication.
- Typically, construction will be performed between 7AM and 5PM, Monday-Friday.
- The street will be closed, however, local traffic and emergency vehicle will be allowed through in accordance with the maintenance of traffic plans.
- Local material and equipment storage areas will be established for this work. Only public land, or private land with owner permission, shall be used, and will be restored following project completion.

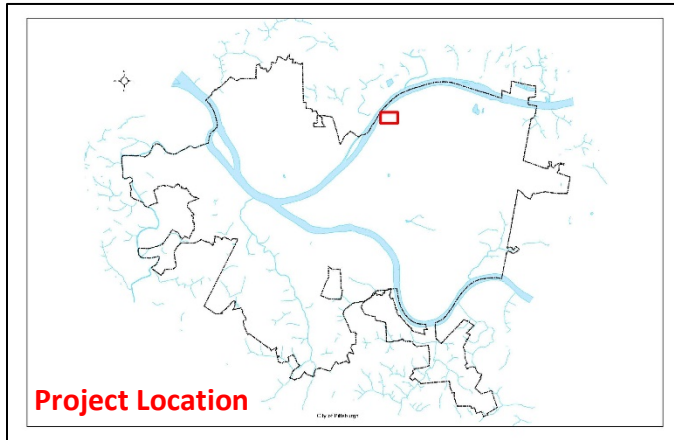

With whom is PWSA coordinating?

- To date, PWSA has coordinated with Department of Public Works to identify requirements and expectation from project.

Who should you contact at PWSA?

- Should you have any questions or concerns, please do not hesitate to contact:
 - RTunde Ibrahim, Construction Project Manager, at 412.255.2545 or rtunde@pgh2o.com.
 - Mora McLaughlin, Construction Communications Officer, at 412.255.8945 or mmclaughlin@pgh2o.com.
