

Susquehanna Street – Waterline Relay Project

PROGRESS AND LOOK-AHEAD:

- To date, all service lines have been connected to the new 12-inch water main between N. Dunfermline Street and Albion Street.
- During the week of October 22nd, 2017, service line installation between Albion Street and N. Homewood Street will commence and surface restoration along the trench between N. Dunfermline Street and Albion Street will be completed.
- The project is approximately 65% complete.
- The anticipated project completion date is November 27th, 2017, weather permitting.
