WAS AWARD MADE TO LOWEST QUALIFIED PROPOSAL? N/A

IF NO, DEPARTMENT AND/OR N/A AUTHORITY MUST PROVIDE EXPLANATION: The expertise of GTECH and resources that they can utilize are not easily replicated by other non-profits. In this project they will not only complete cleanup of invasive species of vegetation but also study storm water implications of future development. They are also uniquely positioned to engage the community in a civic design process related to an analysis of productive non-development uses for the subject site.
