**Watson Street – Waterline Replacement Project**

**PROGRESS AND LOOK-AHEAD:**

- To date, approximately 400-ft of new 8-inch water main has been installed.
- Over the next two weeks, new 8-inch water main will continue to be installed.
- During the week of January 30th, 2017, the new water main will be pressure tested and disinfected.
- The project is approximately 52% complete.
- The anticipated project completion date is April 30th, 2017, weather permitting.
