

CITICAMP @ HOME

Nature in Your Neighborhood Parent/Guardian Guide

Join Caterina and have fun exploring the nature that is all around us with Nature in Your Neighborhood!

Learn new words you can use to win prizes!

Enjoy solving puzzles and playing games!

Bird Watching Tuesday

Have fun bird watching near you! Learn how to perfect your observation skills and how to recognize and record important details!

Follow the PA Backyard Bird Field Guide (included) in your bird search to record your observations.

Create your own version of Lois Ehlert's work using markers, crayons, or colored pencils.

Take a Hike Thursday

Stay active! Take a walk in a park near you and play Alphabet nature search games!

Take a Micro-Walk and discover a miniature world! Record everything in your Nature in Your Neighborhood Journal.

Maker Monday

Roving Art Cart Build a Bird House

Learn how to build a bird house and help the birds in your neighborhood!

Make your bird house a work of art with fun colors and designs!

Directions and materials included.

Woodland Wednesday

Roving Art Cart

Create a Great Horned Owl Mask and learn more about how they survive in the wild!

Directions and materials included.

Fun Friday

Word Warrior
Fun Friday Surprise!

Choose a word from the Nature in your Neighborhood book - and write and draw a story of your own! Bring your work back on Friday to win a Fun Friday Surprise!
