

# Create Your Own Alien

- 1 **Make Your Alien Body:** Take the playdough or Model Magic and wrap it around a Ping Pong Ball, working to smooth it around the ball, or roll a ball of playdough about the size of a ping pong ball in your hands.
- 2 **Make Your Alien Arms and Legs:** Cut the straw to make arm and leg supports and wrap the playdough/Model Magic around the straw pieces, smoothing it along the way.
- 3 **Put your Alien Together:** Cut the Pipe Cleaner to make Antennae, add Googly Eyes, use the spoon to make a grin or roll a thin piece of playdough/Model Magic for the mouth and adhere.
- 4 **Print out the Alien Biography page.** Color the background and write a little bit about your alien!

## YOU'LL NEED:

Playdough/Model Magic  
Pipe Cleaners, assorted colors  
Scissors  
Spoon  
Googly Eyes (optional)  
Ping Pong Ball (optional)
