RE: Request for Quotation for:

Rock Salt & Calcium Chloride purchase for 2021 ~ 2023 Winter Seasons, with two (2) one-year options

The Public Parking Authority of Pittsburgh (PPAP) is requesting price quotes for 50# bagged rock salt/sodium chloride and calcium chloride for the 2021 ~ 2023 winter seasons with two (2) one year options for delivery to seven (7) Authority-operated garages and one (1) surface lot location. Price quote submittals should be broken down by garage, skid cost, delivery charge, and off-loading charges using the attached bid sheet. Only the attached bid sheet will be considered when reviewing quotes.

The projected minimum annual order for each winter season is;

- Rock Salt/Sodium Chloride 50# bags-20 skids (49 bags per skid) – 1,225 bags total
- Calcium Chloride Pellets 50# bags 35-skids (50 bags per skid)- 2,000 bags total

Bidder should submit quote based on the projected order amounts with fifty percent of the projected order being delivered in January of each year of the contract.

Bidder should also submit skid prices for additional orders over the projected seasonal amount.

Quantities indicated are estimated quantities submitted for quoting purposes only. They should not be interpreted as an exact representation of items to be purchased under this request. The Pittsburgh Parking Authority shall have the right to purchase more or less than the quantities indicated at the stipulated prices on an as needed basis.

All prices quotes must be received via email at conner@pittsburghparking.com or at Pittsburgh Parking Authority Office by 3:00PM E.S.T. on October 29, 2020.

Question should be submitted in writing to the Pittsburgh Parking Authority, Parking Services Department, at 232 Boulevard of the Allies, Pittsburgh, PA 15222, Attn: William Conner, Assistant Director Parking Services or via email at conner@pittsburghparking.com All questions must be received by 3:00PM E.S.T. on October 22, 2020.

Sincerely

William R Conner, Assistant Director Parking Services
