Merrimac Street between Woodruff and Grandview

**Mount Washington, District 2** – Merrimac Street is a two-way street that serves as a collector for Mount Washington residents, providing access to Grandview Avenue and Sawmill Run Boulevard (SR 51) via Woodruff Street. Merrimac Street is owned by the City of Pittsburgh and the posted speed limit is 25 mph.

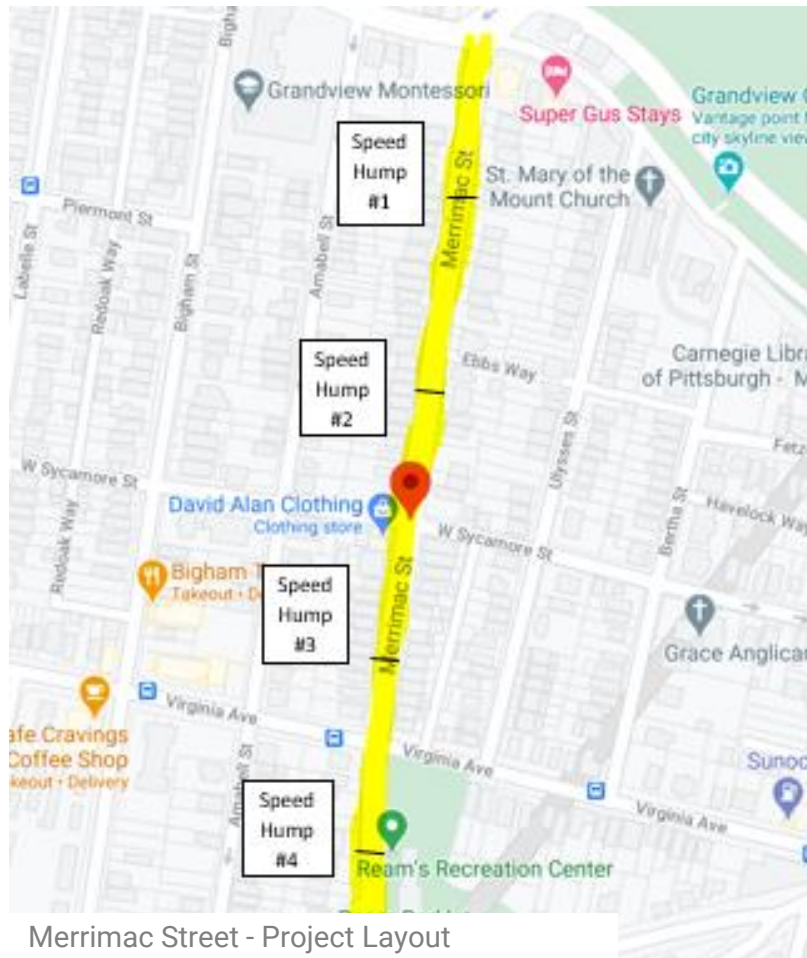

Traffic data was collected during March 2021. Data is summarized in below:

ADT	85th Percentile	% Speeding	Max Speed
3788 vpd	35 mph	68%	89 mph

The ADTs and 85<sup>th</sup> percentile speeds meet the City of Pittsburgh DOMI requirements for Traffic Calming measures.

The city is proposing to install four (4) 26-foot-wide speed humps on Merrimac Street between Grandview and Woodruff, along with speed hump signs and speed table pavement markings.
