Staff in Attendance: Chuck Durham, Joshua Lamonde and Upasna Goswami

I. Introduction

Motion to approve January 2021 minutes unanimously passed.

II. New Plans

Compliance Consultant Services - This is a professional services project from Housing Authority. There was representation from the prime D.R. Wesley Management Consultant Inc. The prime itself is MBE certified and accounts for 93% participation. Their WBE certification is under review. The prime has hired a non-certified WBE which will account for 7% participation. The contract value is $532,800.

Plan Approved

Walnut Street Lighting Project - This is a professional services project from Department of Mobility and Infrastructure. There was representation from the prime Allegheny City Electric, Inc. Their sub-contractor, Supreme Traffic Control, LLC accounts for 18.67% participation, and 6.67% with Pittsburgh Mobile Concrete, Inc. as the WBE sub-consultant. They have hired Keystone Electrical Supply, a veteran owned business with 2.5% participation as well. The contract value is $375,000.

Plan Approved

Pittsburgh Recycling Bin Project - This is a professional services plan from Department of Public Works. There was representation from the prime Rehrig
Pacific. The plan has 2.85% WBE participation with J.R. Kays Trucking Inc. as their sub-consultant. The contract value is $2,000,000.

Plan Approved

III. Commissioners again emphasized the need for primes to diversify their pool of sub-consultants especially locally.

IV. An update on ITQ professional services work orders was provided.

V. Letters of Approval will be sent out by Office of Business Diversity.
