You'll learn about the processing of a crime scene and will be exposed to many of the specialty police units. Student Police Academy participants will meet and talk with many of the street officers, the bureau's command staff and academy's instructors that serve them.

All this takes place in a safe training environment, following all Covid19 guidelines

Instructors are law enforcement professionals who teach both veteran and recruited police cadets. Students will leave with a greater understanding of the police mission and with an increased ability to see how the police serve the community.
