

The PLI Press

Monthly News and Updates

Take a look at our invite for our November Monthly Forum, updated ward assignments, request for board of appeals members, upcoming demolitions and more!

Visit our Website

November Community Forum

This month's forum will be concentrating on our website. Julie Reiland, our community affairs liaison, will be discussing our online tools and how to best use them for your project.

When: November 17th @ 9am

Where: 200 Ross Street
Pittsburgh, PA 15219
1st Floor Conference Room

Please email julianne.reiland@pittsburghpa.gov for any accommodations.

RSVP

Board of Appeal Members

The City of Pittsburgh and the Department of Permits, Licenses, and Inspections are currently seeking qualified candidates to serve on our Building code Board of Appeals and our Board of License and Inspections Review.

Building Code Board of Appeals

- 5 members
- 3 year term
- Meet once monthly
- Must live and work in the City of Pittsburgh
- Must be a mechanical, electrical, structural or fire safety engineer
- Read complete [requirements](#)

Board of Licenses and Inspections Review

- 5 members
- 3 year terms
- Meet once monthly or less often as needed
- Must live in the City of Pittsburgh
- Must have a background in community advocacy, community development, or building codes
- Read complete [requirements](#)

Please submit your resume via email to julianne.reiland@pittsburghpa.gov

Additional Demolition information

We have added a list to our demolition website called "asbestos surveys". This list is each bid package that we will be sending out to be surveyed for asbestos prior to a City funded demolition. You can follow the properties through our process with our demolition lists.

The process is as follows:

Condemnation -> Asbestos Surveys -> Under Contract -> Razed

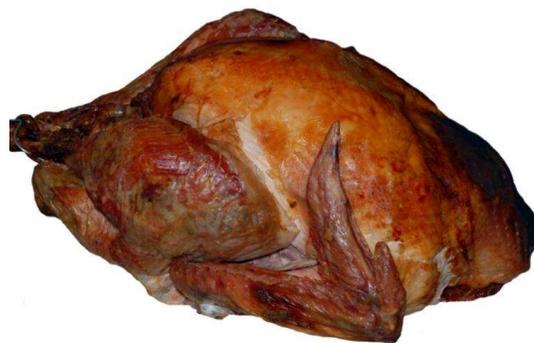

*As a note, not all condemned properties will be razed. We prioritize by risk of collapse and public safety concerns.
