

Development Activities Meeting Report (Version: 12/20/2019)

This report created by the Neighborhood Planner and included with staff reports to City Boards and/or Commissions.

Logistics	Stakeholders
Project Name/Address: Steel Plaza T Station – Cantini Mosaic Reinstallation due to Cap Park Construction	Groups Represented (e.g., specific organizations, residents, employees, etc. where this is evident): RCO staff, applicants, residents.
Parcel Number(s): 2-E-216	
ZDR Application Number: N/A	
Meeting Location: Virtual (Zoom)	
Date: 2/10/2022	
Meeting Start Time: 5:25 p.m.	
Applicant: City of Pittsburgh Department of City Planning Public Art and Civic Design Division	Approx. Number of Attendees: 13
Boards and/or Commissions Request(s): Art Commission	

How did the meeting inform the community about the development project?

Ex: Community engagement to-date, location and history of the site, demolition needs, building footprint and overall square footage, uses and activities (particularly on the ground floor), transportation needs and parking proposed, building materials, design, and other aesthetic elements of the project, community uses, amenities and programs.

Project is the relocation of historic Virgil Cantini mosaics from a tunnel that was removed by the Cap Park project. Then showed the location at the Steel Plaza T Station where the panels will go and how they will be reconceptualized to fit this location. They started on a curved tunnel and the new location is flat. Working with the Port Authority now on the agreements and technical components of the project. Using the same contractor that removed the mosaics from the original tunnel.

Input and Responses

Questions and Comments from Attendees	Responses from Applicants
When will you be at Art Commission?	April at the soonest.

Other Notes

None.

Planner completing report: Derek Dauphin and Phil Wu
