**Discussion:**

1. Mr. Chuck Alcorn speaks on behalf of the project. He introduces Joe Roy, the architect for the project. He explains the history of the building and project and goes through the presentation.

2. Mr. Roy explains the rest of the project and goes through the presentation.

3. Ms. Aguirre asks for public comment; there is none. She acknowledges for the record that a copy of the DAM report was received. She asks for comments and questions from Commissioners.

4. Mr. Falcone states that he is happy to see this restoration, as the 1980s alterations are very dated. He also appreciates the attention to the classical orders. He is concerned that this work will make the ATM stand out more, and he understands that it is not part of this work but hopes it can be addressed in the future. He asks about the railings.

5. Mr. Roy explains their choice of railing.

6. Mr. Alcorn talks about the ATM concern and the possibility to revisit it once the lease expires.

7. Ms. Aguirre states that there are trees and other obstructions that hide the ATM from the street.

8. Mr. Hill agrees that he would like to see the ATM and atrium area addressed in the future.

9. Ms. Aguirre states that she appreciates the details and before and after documentation provided in the presentation.
Motion:

1. Mr. Hill moves to approve the application as submitted.
2. Mr. Green seconds.
3. Ms. Aguirre asks for a vote; all are in favor and motion carries.
