

## **Responses of the City of Pittsburgh Comprehensive Municipal Pension Trust Fund (CMPTF) to Questions Received on the Small Cap Manager Request for Proposals**

Q1. Would the CMPTF be willing to consider multiple styles of small cap investing, for example, splitting the mandate between one small growth and one small value manager, or are you only considering small cap core strategies?

Answer: The CMPTF Board will review multiple styles of small cap investing. The goal is for the final solution to be style neutral.

Q2. Will there be any latitude given to an MWBE firm for the minimum qualification question #6, if any other qualifications have been met?

Answer: No
