

PUBLIC MEETING

# View and provide input on the City's new pedestrian wayfinding kiosks

FIRST PHASE: OAKLAND, DOWNTOWN, NORTH SIDE, NORTH SHORE

The City of Pittsburgh has been working with a large group of stakeholders to develop new standards for pedestrian wayfinding kiosks.

The first kiosks will be placed near regional destinations in Oakland, Downtown, the North Side, and the North Shore.

**Please come and see the kiosks and provide input on their design and how they can be used in other parts of the city.**

This is an informal event, drop by whenever you can during the session times below. The project team will be on hand to answer questions and take your input.
