

# NOTICE OF PUBLIC MEETING #2

## Beechwood Boulevard Safety Improvements

Do you have trouble crossing Beechwood Boulevard to and from Frick Park near the Frick Environmental Center?

Frick Park and the Frick Environmental Center draw hundreds of visitors every day.

But crossing Beechwood Blvd to get to there can be difficult, with speeding traffic and poor sight lines.

**After a first public meeting in July, this second meeting will present refined designs for improved crossings on Beechwood Blvd, based on feedback from neighbors.**

Questions? Can't make the meeting? Contact Craig Toocheck, Staff Engineer with the City of Pittsburgh: [craig.toocheck@pittsburghpa.gov](mailto:craig.toocheck@pittsburghpa.gov)

**New date!**

**Wednesday, December 19 | 6:00 pm**  
**Frick Environmental Center**  
**2005 Beechwood Blvd**

This facility is ADA accessible. For accommodations, contact Richard Meritzer of the City of Pittsburgh's ADA office: [richard.meritzer@pittsburghpa.gov](mailto:richard.meritzer@pittsburghpa.gov)
