

Electronic and Household Chemical Recycling Resource Guide

Due to the passing of the Covered Device Recycling Act (CDRA) in 2010 it banned televisions, computers, and other electronic devices from being placed at the curb and sent to landfill. The Pennsylvania state law was imposed by the Department of Environmental Protection.

Household Hazardous Wastes (HHW) are those waste produced in our households that are hazardous in nature, but are not regulated as hazardous waste, under federal and state laws. Click [here](#) to learn more.

Covered Device Recycling Act (CDRA)

For more information about CDRA Pa Act 108 or for a more comprehensive list of recyclers, please visit the Department of Environmental Protection's [CDRA Program Page](#).

Do not place the following items at the curb or you may be cited.

- TVs
- Monitors
- Printers
- CFL Lightbulbs
- All Peripherals - Keyboards, Mice, External Drives and anything plugged into a computer
- Household Hazardous materials such as propane tanks, liquid paint, pesticides, corrosives, aerosols, oil or antifreeze.

See below for participating electronics retail stores, collections, locations or hauling companies that can provide proper disposal options. Thank you!
