STREET INFORMATION

_____	from	_____	to	_____
<i>Street</i>		<i>Cross Street</i>		<i>Cross Street</i>

Tell us briefly about traffic issues on this street. Include days and/or time of days that traffic issues are most prevalent. Describe factors they may contribute to the issues. List people who are most affected, such as people walking, residents, other drivers, etc.

List neighborhood characteristics that may be useful to know when evaluating your street, such as the presence of schools, parks, or senior centers.

PETITION FOR EVALUATION

To be considered for traffic calming, 50% of property owners fronting the requested street must sign the attached petition sheet. Use as many sheets as needed. One signature is allowed per house number. You may find property owner names and mailing addresses on the [Allegheny County GIS Viewer](#).

Signatures are required as part of the application process to ensure community support before the evaluation process begins. If the street is selected for the traffic calming program, residents on the street will be notified prior to the installation of any traffic calming measures.

Submit your completed application and petition to:
