

Payroll Expense Tax- FAQs

1. What is the Payroll Expense Tax and what is its purpose?

Payroll Expense Tax is the total compensation paid, including salaries, wages, net distributions, commissions, bonuses, stock options and other compensation to all individuals who during any tax year, perform work or render services in whole or in part in the City of Pittsburgh. The tax is levied on Employers and under no circumstances may the payroll tax be deducted from the Employee's wages.

2. A business started operating on May 15 in the City of Pittsburgh. When is the first return due? How do you calculate the Payroll Expense Tax?

The first return is due August 31 based on the current quarter's payroll from May 15 thru June 30.

3. How do I know if my entity is eligible for the Payroll Expense Tax?

If you hire, engage, employ or contract one or more individuals, as employees (including sole proprietors, partners and corporate officers/members) to perform work or render services within the City of Pittsburgh, then you are expected to file and pay the Payroll Expense Tax.

4. Who is exempt from the Payroll Expense Tax?

Governmental Entities are exempt from filing the Payroll Expense Tax. Institutions of Purely Public Charity are exempt from paying the Payroll Tax associated with activities that are related to the charitable purposes for which the Institution was formed. Refer to Section 511 of the Internal Revenue Code for more information.

A quarterly return must be filed indicating the gross compensation earned for all respective employees in that quarter. The tax due line will be completed as "0."

5. I was not informed that my business was liable for the Payroll Expense Tax and I filed my tax late. Am I exempt from late fees?

No. It is ultimately the responsibility of the taxpayer (or their legal representative) to be informed of all municipal tax laws including the due dates of the required tax returns.

6. Do I have to pay the Payroll Expense Tax even if my office is not located in the City?

If you conduct any business within the City limits, you are required to file and pay payroll expense tax.

7. If a general contractor has an office located outside of the City of Pittsburgh and works within the City of Pittsburgh for one (1) day, are they subject to the Payroll Expense Tax?

Yes. An employer who conducts business within the City of Pittsburgh on a temporary, seasonal or itinerant basis shall calculate the tax on the total compensation earned while working within the City of Pittsburgh.

8. A non-resident general contractor is located in Ohio. The contractor renovates an office building in Downtown Pittsburgh. Is the contractor subject to the Payroll Expense Tax?

Yes. The company is conducting business within the City of Pittsburgh. You will determine the total payroll expense attributable to work done within the City of Pittsburgh and that amount will be taxable.

9. Corporation A has two offices, one in and one outside the City of Pittsburgh. How do you calculate the Payroll Expense Tax?

You will calculate the total gross payroll of the employees who work within the City of Pittsburgh and multiply it by 0.0055. If the employees who work in the office located outside the City of Pittsburgh do no work within the City of Pittsburgh, their gross compensation is not to be included in the gross taxable compensation.

Total Tax Due (Due on 2-28-19)	\$5,995.00

24. A corporation goes out of business within the City of Pittsburgh on November 1. The Payroll Expense for July, August and September was \$30,000.00. How do you calculate the Payroll Expense Tax for the fourth quarter?

Step 1: Divide the number of days the business operated for in the fourth quarter by the total number of days in the fourth quarter

$$\begin{aligned} & \frac{32 \text{ days (number of days business operated in fourth quarter)}}{92 \text{ days (total number of days in quarter from October through December)}} \\ & = \mathbf{0.34782609} \end{aligned}$$

Step 2: Multiply \$30,000 by the reciprocal 0.34782609

$$\begin{aligned} & \$30,000.00 \\ & \times \mathbf{0.34782609} \\ & \mathbf{\$10,434.90} \text{ – apportion amount of payroll expense tax} \end{aligned}$$

Step 3: Multiply the apportion amount of payroll expense tax by the tax rate

$$\begin{aligned} & \$10,434.90 \\ & \times \mathbf{0.0055} \\ & \mathbf{\$57.39} \text{ – total amount due} \end{aligned}$$

25. When is the Payroll Expense Tax Due?

The tax shall be paid quarterly:

QUARTER	DUE
FIRST	MAY 31
SECOND	AUG 31
THIRD	NOV 30
FOURTH	FEB 28/29
