

March Way Brick Repair

Bloomfield/8th Ward

March Way is a brick alley located between Enright Street and May Way. The surface was very distressed in spots resulting in a dangerous condition for vehicles traffic. The work removed the brick in the bad areas, repaired the base and installed new brick. The work was completed November 27, 2019.

Project Timeline

July, 2019 – LOA approved

November, 2019 – work completed
