THE WILD LIFE THE WOODS

I like the nature based play for kids and think the slide can be incorporated in there somehow.

I think dirt biking should be totally removed from Sheraden Park and that moving it legally to Tuxedo would help.

The scenic and open space/access to land that exists in the urban area there

WHAT WE HEARD

Need playgrounds.
Where are the traditional or an inclusive playground?

I like the addition of the ball fields, but hope that Sheraden community groups would receive first right to them and not PSE.
please don't overdevelop it; it is a quiet space to get away from development.
